WEEKLY NEWS FROM THE ATONEMENT ACADEMY

No. 7: August 24, 2014

## SLOW DOWN!

**SPEED LIMIT:** The Hills & Dales neighborhood has been designated by the City of San Antonio as a “test neighborhood” for the new 25mph speed limit. In addition to the heavy road traffic for school and construction, please remember the official speed limit. We have reports that the police are occasionally stopping drivers in regard to the new speed limit.

## NO PICK UP IN THE PARKING LOT!

If you do not wish to be in carline (or miss it), please be mindful of the hand-book directions regarding safety in the parking lot (8.4). We ask that you escort all LS and MS students to and from your car.

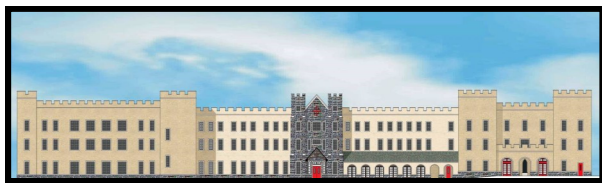

## Upcoming...

- \* AUG. 29: Lower School August Birthday Celebrations, 2:30 pm (only in classrooms with birthdays)
- \* AUG. 30: Upper School Gym Night, 6 pm
- \* SEPT. 1: Federal Holiday — No School
- \* SEPT. 20: Family BINGO Night, 6-8 pm
- \* SEPT. 25: Upper School Fall Dance, 7-11 pm
- \* SEPT. 26: NO SCHOOL. Faculty-Parent Conferences

## *Nota Bene / Note Well:*

- **THE ONE PAGE ANNUAL CALENDAR** is now online! Check “Forms and Documents” and print yours for easy reference today!
- **LUNCH!** Please be sure you provide a lunch for your child! Many children are forgetting their lunches and a long school day is a very long time to be without a mid-day meal! Sometimes the lunch company has extras that may be charged to your account, but they often run out of extras.
- **UNIFORMS** should now be complete — and uniform violation cards will be issued for the wrong uniform, missing items, or ill-fitting uniforms.
- **SLEEP** is important to growing children and active learners! Please be sure your child is getting enough sleep. Sleep deprivation accounts for many behavior issues and sluggish learning.
- **PLEASE SHARE YOUR PHOTOS** — whether one or several—by emailing them to [info@atonementonline.com](mailto:info@atonementonline.com). The archdiocese often requests photos and they are always needed for publications and our website.

## Construction Update

### BUILDING UPDATE:

*Mesa Construction Co.* continues to pound-away at the rock wall, removing tons of material. More than 1,000 truck-loads already have been removed – approximately four feet visually – and progress continues with the milling machinery. We appreciate the cooperation from parishioners and school families in using caution in the construction zone, and on Red Robin Road, where the school traffic for pick-up and drop-off coincides with multiple 18-wheelers on our neighborhood roads!

**KEEP THE  
DRIVEWAY  
CLEAR!**

PLEASE, curb the urge to use the front drive as a parking lot — even for “just a minute” while you drop in.

## Atonement Student Tutors 2014

There are several upper scholars who are interested in tutoring. Most students work one-on-one with your child after school in the library, and each student's rates vary (\$5 to \$15 per session for lower school subjects) depending on the complexity of the schoolwork. Typically the best way to contact these students is via e-mail.

The Atonement Academy passes along these names as a convenience to families requesting help with assignments and homework. Any arrangements and agreements are between the tutor and the family seeking assistance.

My name is **Thomas Pecha** and I am a junior interested in tutoring. I can tutor for any subject and would prefer middle or high school. I will be charging approximately \$10 per 30 minute sessions. Contact [tpecha422@gmail.com](mailto:tpecha422@gmail.com) or (210) 585-1987.

## CRUSADER MERCHANDISE

Our new Fan-Cloth catalogs have arrived and we have new and exciting Crusader merchandise! A catalog may be picked up in the gym or front office.

There are two ways of placing your order. The first is the traditional way: filling out a paper form and returning it to a coach. The second, more convenient way, is ordering through our sports website

[www.atonementsports.org](http://www.atonementsports.org).
