

The Atonement Academy

Application for Financial Aid

Family Cap

The Family Cap Fund provides financial aid to families of The Atonement Academy. The fund is comprised of voluntary donations from parishioners and other interested parties, and is administered by our financial committee. Because the Family Cap falls under financial aid an application must be filled out each year for the enrolled families. You must have at least three children enrolled in the school not including Pre-kindergarten. The maximum payment per month based off 11 months is \$1495.

Applicant Information: Please complete all sections of this application, and provide the required attachments. The committee will not consider incomplete applications.

Student Name and Grade: _____

Student Name and Grade: _____
